Shecking Easigned Accident

A construction train going north, on the new
Cincinnati and I on swille Short Line Railroad
int with an accident at the bridge over I ecu
Creek 13 miles from Covengton, and two were
killed and asyeniten wounded. The bridge
which broke was constructed of from and wood
was 60 feet long and 25 feet bigk, and was built
in I onisville. The cause of its giving away is
not known. The train which broke the scousist
of of cight platform cars two of which were
partially leaded with railroad from Seven cars
west down, turning over in the deacest several
breaking to pieces. The bridge is a complete
wheek, and a number of men whe were burled
beneath the rules were not got out for 25 or 30
minutes. Fab train that broke through peace
over in the morning heavily loaded with atoms
and iron. The evening passenger train from
Louisville five cars full of passengers passed
over about 30 minutes before the accident partially loaded with railroad iros Seven care would down, terring over in the descrat several braid own, terring over in the descrat several braiding to pieces. The bridge is a complete wheck, and a number of men whe were builted beneath the rains were not got out for 25 or 29 minutes. Factual that broke through peased over in the morning heavily loaded with atomes and iros. The evening peasenger train from Louisville from care full of peasengers pieced over about 30 minutes before the accident.

Smallpox

Al Bany July J.

At a meeting of the Board of Health of this city the fact was developed that smallpox prevails here to a considerable but not servous extent. General vaccination is recommended, Pearetty of Coal.

Owing to the scarting of Lebich coal, two formedries in this city have easpended operariose.

Fourth of Ju V.

The sign ag of the of wrong, one July day, shout one hundred your ago, in the then small city of Paladelphia, by a score or so of men, sted a Nation, and many the Fourth of Ju ; in American holds; for all time to come. We realfun her with the Occluration of Independence; it is the political Bible of our people We are now, as a Government, living up to tspirit, to its precepts, better than we ever have done before, and as long as we continue to co so we shall continue a free, uni ed, prosperous people. The lesson of this day, trive as it sounds, is one which it his est oceans of human blood to learn even in this country, which flist adopted it, as the guiding o lie destinies.

"We Lo d these truths to be self evident, tha all men are created free and equal, and endowed by their Creator, with cortain inalicuable rights. and that among these are life, liberty and th manit of happiness. That to secure these

The majesty and g'ory of that Declaration cas never perials; they will survive all Governments and live coeval with Fruth uself. But the work until Lec's army surrendered at Appoint o ma tta flual troumph secured. The war of the volution broke the chains that bound us to Eog and, but it required nearly another centur of automission, and four years of civil war, stamp the freedom of the citizen indelibly up the pages of the American Constitution.

On Saturday evening, about seven o'clock, fight occurred on the corner of Spring and Wash streets termen a notorious desperado and bully, named Hink Keene, and a man, whose name we did not learn, much his interior in strougth, and who also had but one eye. It apat Keene pliched on to the man, an and then kicked him in the remaining eye. The office arrived on the ground about this too late to arrest Keere the brutal asseult. The injured man was taken to Dr. Bare's office where his wounds were dressed, and he was then conveyed to the lock up He was yesterday in a pliable condition, and is leared that he will lose his right. It Keene i found in these parts the police will make it

HEADQUARTERS' BURFISHICSTED SQUIZIERS," THUSTILLE, PA., July 5 to, 1969 5
GENERAL ORDER No 1—The troops attached

to this command will assemble for inspection at the junction of Main and Spring atrects, at 81/4 a.m., where they will be formed in line by Captains of Companies, right resting on Spring areet, prepratery to moving off on the grand re view. By order of the General Comanding. C E TRACY, Adj General.

Chief Masshal, to his own apariment in the a tie. The whole care is pregnant with warning to all depositories and depositories. It is idle, to view of the cunning expertuess and the astoni-hing resources of stratery and mechanism exhibited by experts in ferme now adays; it is idle to trust in locks or tars; there must be an unsteeping vigilance, and the watchmen themselves affect be witched. The bearon is tanish by the Ocean Bank robot and watchmen themselves affect be witched and the watchmen is tanish by the Ocean Bank robot and watchmen is tanish by the Ocean Bank robot and watchmen is tanish by the Ocean Bank robot and watchmen is tanish by the Ocean Bank robot and watchmen is tanish by the Ocean Bank robot and watchmen is tanish by the Ocean Bank robot and watchmen is tanish by the Ocean Bank robot and watchmen is the bruil or Speciator gives the following upon more of the more circumstantial than the robot of the unfortunate Drivers in the Herald. It says:

On Wedursday morning, about 127, 184 11 of older the uniformatic proportion of the uniform the proportion of the uniform th This lesson is taught by the Ocean Bank rob-bery, and we trust all our moneyed institutions

and the watchmen themselves affact be witched. This beson is taught by the Ocean Bank robory, and wo trust all our moneyed hustitations will profit by so menacing an exampte of over confidence.

Corner Stone Ceramony — The ceremony of laying the corner stone of the new Catholic Convent took piece yesterday afternoon. At the appointed hour the several Catholic societies, headed by Coleman's brass hand, marched from the St. Titus Church to the ground on Main street, where the foundation waits of the new attracture are laid, on the site of the former Academy. A platform had been constructed for the accommodation of the associations, and where the exercises took place. The ceremony was performed by Bishop Mullen, of Etle, assisted by the Rev Father Mignantia and bis associate prices. Bishop Mullen, of Etle, assisted by the Rev Father Mignantia and bis associate prices. Bishop Mullen delivered a brief in promptu address, appropriate to the oceasion, Mr. Charles F Fowler, the propriector, and or street, right resting on Pine.

The Trides Representations will form in column on Monroe street, right resting on Pine treet.

Sincon Lodge and the Harugari Society will orm on Perry, right resting on Pine.

Delegations from abroad will form on Man consisted of the column on Perry, right resting on Pine.

The several divisions are requested to be in the positions assigned them at 10 celock.

Each division will enter the procession in the order of its number, as the rear of the preceding division passes its position.

The resting on Pine.

The contents of the box is the excavation, and sprinkling a cealed box is the excavation, and sprinkling a right passes of the records of St. Titus Church, and the copies of the records of St. Titus Church, and the positions assigned them at 10 celock.

Each division will enter the procession in the procession in the order of its number, as the rear of the preceding were characterized by good order and a tention.

The races advertised to take place Saturday were purely the described concussion, and at torse that ne not a torposotion, and way' studing the explosion, and way' studing the explosion, and way' studing the of the explosion, and way' studing the of the casion.
